CJN 3012 Lat Pull Down

Code: 44578

MRP : 117800.00

Lat Pulldown not only can it be used as a part of the serial modular core of a plug-in workstation or a multiperson station, but it is also can be used as an independent lat pull down device. The pulley on the Pulldown is located so that users can make the movement in front of the head smoothly. The thigh pad adjustment accommodates a wide variety of users, and the replaceable handle allows users to practice with different accessories.
